1. Amended Award Conditions - Gulkana Road Paving Project

***Award Conditions to the Financial Assistance Award  
Between the Denali Commission and  
Gulkana Village Council  
For Gulkana Road Paving Project  
Award No. 291-07, Amendment 3  
November, 2011***

All changes to the award conditions are noted below.

***1. Scope of Work***

This amendment provides an additional \$162,541 in FY07 FHWA Sec. 1960 funds for the subject project. FHWA Sec. 1960 funding is being added to this project given that match funding, in the amount of \$162,541, was committed by the State of Alaska Department of Transportation (ADOT&PF) (see letter in file) but was never transferred to the Gulkana Village Council.

Due to the recent comptroller opinion that the Denali Commission (Commission) cannot receive state funds for matching transportation projects, and ADOT&PF is unable to provide direct funding to Gulkana Village Council, the Bureau of Indian Affairs (BIA) and the Commission have agreed that full funding for the project will be provided directly from the Commission and BIA to the Gulkana Village Council. The State of Alaska is not providing funding for the project.

The total funding for this project is now funded with \$1,962,541 in Denali Commission funds, and \$973,405 in BIA funds (which meets the required match).

This amendment will provide additional time and funding to complete the final tasks in the construction phase and submit final billings.

***2. Award Performance Period***

The amended Award performance period is August 1, 2007 through December 31, 2012. This is the period during which Award recipients can incur obligations or costs against this Award.

There are no other changes to the original Financial Assistance Award, as amended.
